

Moving Toward Sustainability™

Make Healthcare Moves, Construction and Maintenance Safe, Clean and Green

No more Masonite®. Eliminate dust and dirt at healthcare facilities.

Safety and cleanliness are top priorities for healthcare facilities. For moves, construction or maintenance, it's vital to optimize the healthcare environment— surfaces and air.

GreenDominion's GDoe products protect healthcare facilities (and the expensive, highly sensitive equipment and research materials) during moves, construction and maintenance. These non-organic boards and panels protect floors, walls, corners, doors, elevators, and other surfaces while not producing any dirt, dust, debris or airborne pollutants. Simply connect GDoe floor boards together, and our vertical panels to walls or other surfaces, with our special tapes. When you're done, power-wash them or chemically sterilize them. Try that with Masonite or corrugated wall protection! Then, easily store GDoe on its custom A-Frame cart for the next use with minimal space requirements.

GDoe™ not just better products —
it's a better way of doing things

- *Maintain professional-looking job sites while improving performance and safety*
- *Safe, easy installation for all surfaces; produces no airborne pollutants or particles*
- *Reduce costs through fewer claims, less cleanup, less labor, and zero disposal fees*
- *Powerwash or sterilize before and after use; water and spill resistant*
- *Save money the longer you use GDoe – not just ROI, but measurable, soft cost savings*
- *Gain or maintain LEED credits for MR and IEQ*

Never buy Masonite again!

Be green. GDoe products are 100% recyclable and made from 100% recycled content.

May Qualify for LEED MR & IEQ Credits.

GreenDominion is a proud member of IFMA, BOMA, ASHE, and USGBC. See our full product line on the back and contact us today at 919-710-5220 or info@greendominion.com.

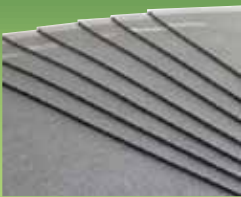

Products and Accessories

GDoe Protects:

Office Buildings

Research/Scientific Facilities
Hospitality Facilities
Historic Properties
Government Facilities
Educational/Institutional Facilities
Residential Properties
Multi-Family Properties

“We experienced GDoe as an exceptional floor protection product during our recent Replacement Hospital Relocation. Its integrity in the process of application, along with its clean non-absorptive surface and superior protection value, performed beyond our expectations in a professional and reusable green environment. GDoe should become the Standard for all Healthcare Building Protection use.”

John A.
Hospital Relocation Administrator

Boards/Panels	Description	Sizes	Applications
	Nonslip textured hard plastic floor boards. Installs easily with a tapegun and clear heavy-duty pack tape. Replaces messy Masonite and flimsy carpet film.	48" x 48" x 3/16" 48" x 32" x 3/16" Custom colors available	Carpet, stone, tile, and vinyl finished surfaces.
